Hello Woodlawn Residents!

It's summer time!!! **Ooh Wee** its summer time! As you know, it is our goal to keep Woodlawn Beautiful, by building our community one person at a time! As we continue to evaluate all services offered to you--our customer, we have moved forward to adding four additional summer workers to our Public Works Department. We are so excited and ready to Keep Woodlawn Beautiful.

Summer time brings good times to Woodlawn--Everything from the Summer Concerts Series, Summer Day Camp, Swimming Pool Events, picnics in the park and a multitude of activities to attend. This year, we have partnered with Great Parks Glenwood Gardens to host five of our ten summer concerts series. Leading us off is **Alter Egoz** followed by everybody's favorite band, **Flawless!**

We continue to see mega success throughout the Village. The key to it all is establishing great relationships with our Neighbors, Community Leaders, and other great organizations that assist us in serving you. Thank you again for our partnership and we look forward to serving you!

### Looking to report a complaint:

As a helpful tool for our residents, please view our website for our "customer service request tool" sponsored by CAGIS Maps. It's a user friendly program that offers you the capability to directly report street maintenance issues; housing code violations, hanging trees, etc.

### Public Works:

Residence on the Northside of the community have been notified of change in service for waste and recycling by Rumpke. The Village of Woodlawn administration has also been notified that Rumpke operators have missed some residence from time to time. To ensure your material is collected, we encouraged residents to contact Rumpke to report any missed service at (513)-851-0122.

Again, thank you for your cooperation.

## **Meet**

### **CivicXpress**

You will soon be able to manage and request city permits, inspections and make credit card payments through a new online portal called CivicXpress. That's right, no more paper forms! You may also submit proposals and collaborate with city planners and other officials with ease.

It is our goal to improve the processes and efficiency of our Village. We look forward to working with our citizens, vendors, contractors and development partners in this new & exciting way!

CivicXpress will launch August 1<sup>st</sup>, 2017. Please be sure to take the following steps by this date.

What are your next steps?

1. Visit <http://www.civicxpress.com/login/>
2. Select "Sign-Up"
3. Complete the form to create a new user account
4. Login to your new account and access the free on-demand training (under "Support") to learn more!
