

Hello Woodlawn Residents!

Thank you for your support as we continue to put the “Beautiful” back in Woodlawn! We are excited about all the projects that have happened in 2017 and our future direction! The new Housing Development, Woodlawn Meadows (CiTiRAMA) has shown major progress in the last six months; of the 43 available lots, 32 have already sold. More than 2,400 people visited our community to view the new homes, making this one of the most successful CiTiRama’s our Home Builder’s have seen!

The Village is now focused on the implementation of our Two-Year Action Plan, which is a continuation of our Master Plan. Our focus is Springfield Pike, Infrastructure (Roads and Lighting) and improved services. We would like to speak to our residents at our Holliday Town Hall Meeting taking place on Thursday, December 14, at 6:30 pm at the Recreation Center. Food will be served! For more information call 771-6130.

Touch Every Door!

Our Mission: It is the GOAL of the Woodlawn Fire Department to be active in our community. To do this we will continue to grow our public education program and services on a yearly basis. We will also continue to deliver a “STANDARD OF EXCELLENCE” with fire and EMS response. We are excited to be a part of the ‘Village on the Move’ and look forward to growing with our community!

Storm Water Activity

A volunteer litter removal project was held on Saturday, September 23, 2017 to remove litter from the banks of the West Fork between Riddle and Grove Roads. Terry Calhoun (Storm Water Coordinator) oversaw this effort as part of the required storm water management MS4 program. The following residence should be recognized for their efforts of keeping Woodlawn portion of the West Fork litter free (**Rita Gentry, Alfred Thompson, and Rasan Mack**). We thank you for your volunteer services!
