

## Hello Woodlawn Residents!

The Village of Woodlawn had a great year in 2017! Our goal was to put the “Beauty” back in Woodlawn by providing quality services for our residents and strengthening the foundation of our community. In 2018, we will continue to do that, while improving our processes and being more efficient with our resources. Our main focuses based on our Master Plan are as follows:

- ◆ Rumpke Recycling: Due to our goal to maintain efficient operations for our residents, the Rumpke Recycling Program, previously scheduled every week, will change to every other week. Trash collection will continue on a weekly schedule. Doing this will save a significant amount of resources, that will be directed towards infrastructure development.
- ◆ Street Lighting: The Village will begin installing energy efficient street lights throughout the Village. Lighting installation will be complete by December 2018 and reduce the Village’s energy cost by 76%.
- ◆ Street Paving: The Village will continue the implementation of our road plan. Roads being considered in 2018 are the completion of Woodlawn Blvd. (Grant) and Riddle Rd.
- ◆ New Council Members: Please help us welcome Robert “Bobby” Lawson and Brian Poole to our legislative team. Special thanks to Michael Donohue and Bersetha Ranson for their dedication and service to the Village.

## Town Hall Meeting

Join us on Thursday, January 18, at 6:30 pm at the Recreation Center. As we push to maintain, grow and nurture the services and capacity to implement our goals set forth. We are committed to the development of our community, one person at a time and we invite the community to attend all meetings, volunteer opportunities, sponsorships and activities continuously. Food will be served! For more information call 771-6130.

### Woodlawn Fire Department Winter Weather Tips

The Woodlawn Fire Department (WFD) would like to remind residents to stay safe during severely cold weather.

Since the severe weather impacts response times as firefighters compete with adverse weather and road conditions, the Woodlawn Fire

Department will be fully staffed during the next few days.

#### To aid in their response efforts, the WFD is asking residents to please:

- ◆ Clear snow form around fire hydrants to allow the fire fighters better access.
- ◆ Clear a path to your front door.
- ◆ Make sure your house address numbers remain visible and are not blocked by snow.
- ◆ When driving, make sure to leave room for emergency vehicles to pass-go right for sirens and lights.
- ◆ Check on elderly friends and neighbors and lend them a hand.
- ◆ Dress appropriately when outside – add layers of clothing.
- ◆ Have a winter emergency kit inside your car including: jumper cables, wiper fluid, first aid kit, blanket, gloves, flashlight/flares, and some salt or kitty litter for traction.
- ◆ Only shovel snow if you are medically and physically able.
